

EXCHANGE AGES AS OF AUGUST 1, 2009

Please check your student's Date of Birth against this chart. Some countries have stated age requirements. If your student does not meet the Country requirements, do not list this country as a choice. There are only a few countries that will accept students with a DOB prior to February 1, 1991 making them over 18 ½.

If born in the month and year marked in red and/or italics, I am able to place in the following countries only (limited placements available – first come first serve basis):
